Career Objective

A highly motivated MCA fresher with hands-on experience in MERN stack development, seeking a software development role where I can apply my web development skills and grow as a full-stack developer in a fast-paced technology environment.

Education

Master of Computer Applications, Shri Ramswaroop Memorial College of Engineering and Management, Lucknow	Jul 2025 – Jun 2026
Bachelor of Computer Applications, Babu Banarasi Das University, Lucknow	Jul 2021 – Jun 2024
Class XII, Saraswati Vidya Mandir Inter College, Barabanki (State Board)	Apr 2017 – Apr 2019
Class X, Saraswati Vidya Mandir Inter College, Barabanki (State Board)	Apr 2016 – Apr 2017

Internship

MERN Stack Development Intern   Digipodium
Jan 2024 – Mar 2024

- Developed responsive web pages using HTML, CSS, and Tailwind CSS.
- Integrated backend logic using Node.js and MongoDB.
- Collaborated with a team to deliver a mini-project simulating a blogging platform.

Certification

Web Development Certificate — Internshala   Aug 2022 – Oct 2022
Covered HTML, CSS, Bootstrap, PHP, JavaScript, React, DBMS, and a final capstone project.

Projects

Echostream — Voice-Enabled Podcast Platform
Tech Stack: MongoDB, Express.js, React.js, Node.js (MERN)

- Built a full-stack podcast platform that supports voice-based navigation for hands-free interaction.
- Developed REST APIs and integrated MongoDB to store user preferences.
- Implemented a responsive user interface with real-time content streaming.

Hobbies

Building side projects, participating in coding contests, creating technology content, and following open-source trends.
